NB The items are **not** on view at the point of sale (The Philadelphian Working Mens Club, Martin Street, Sheffield, S6 3DW) and it is therefore advisable to make notes and mark your catalogue on viewing.

2. SALE

All goods in this sale will be sold from the catalogue commencing **10.30AM**, TUESDAY, 17TH JANUARY 2012 at

THE PHILADELPHIAN WORKING MENS CLUB, MARTIN STREET, SHEFFIELD, S6 3DW

3. REGISTRATION AND BIDDING

Bidding will be by a buyer's number card and all parties wishing to bid at the auction must obtain a buyer's number from the registration clerk by completing a Bidder's Registration Slip fully and legibly and producing official proof of identity (i.e. driving licence or other official document with name, current postal address and signature thereon) at this time. The buyer's number should be kept exposed and visible to the auctioneer when bidding, and potential purchasers should note that no bids will be accepted from any party unless a buyer's card is displayed. Registration will take place during the viewing and sale times as detailed.

4. PROXY BIDS

At the end of the catalogue there is a form upon which commission bids can be entered in the case of difficulty in attending the sale. Bids are accepted on behalf of interested parties without liability on behalf of the auctioneers. In addition, successful bidders will be notified by telephone as soon after the sale as possible, usually on the evening of the auction or on the morning following.

5. OPTIONS

Where lots consecutively are IDENTICAL and the auctioneer announces the option TO RUN is available, then the purchaser of the first lot will have the option to take any number of consecutive identical lots at the same bid price per lot. Where consecutive lots are similar, and the auctioneer announces the option to choose is available, the purchaser of the lots will have the ability to choose any one or more of the lots notified at the same bid price per lot.

THE ABOVE OPTIONS WILL NOT EXIST UNLESS SPECIFICALLY NOTIFIED AT THE POINT OF THE SALE.

These facilities will only apply when specifically announced by the auctioneer. If they wish, purchasers may object to the items being sold in this manner by indicating at the time.

6. DESCRIPTIONS

EWB AUCTIONS – 17th January 2012

7. INSURANCE

The letter must quote "Saleroom" and the date of the sale and state that the bank will honour cheques up to a specific amount that must be quoted in the letter. This letter will be retained by Ellis, Willis & Beckett. In the event that the purchasers wish to pay by cheque but have not arranged any of the above facilities, then the cheques will be specially presented and the goods held until we are notified by our bankers that the cheque has been cleared. The purchaser will be responsible for the costs of clearance of the cheque and will be required to pay an additional amount of £12 at the time of payment in cash, or any of the above guarantee forms, to cover the cost of special presentation. GENERAL CONDITIONS OF SALE

1. All lots - which term shall include all forms of personal property whatsoever and property fitted or affixed to land - are tendered for sale subject to these conditions, no variation of which shall be valid unless made in writing and signed by a person duly authorised by the auctioneer. In these conditions "the auctioneer" shall be the company or firm or person, or his or their servant or agent, who has agreed to auction any lot. By making a bid for any lot, the person making the bid warrants that he has read, makes his bid upon and agreed to be bound by these conditions, and further warrants that he has due authority and capacity to make the bid and binds both himself and any employer or principal to honour any contract resulting therefrom. Any bid shall be deemed to be an offer by the buyer (a term used herein as including the bidder and any principal or employer of the bidder) to purchase any lot tendered upon these conditions alone.

2. The auctioneer tenders any lot for sale as agent for an on behalf of the person from or through whom instructions for sale have been received (the seller) and not on the auctioneer's own behalf.

The sale of any lot shall be concluded and binding at the moment when the lot is knocked down. The highest bid will be accepted save in exceptional circumstances, such circumstances to be determined by the auctioneer whose decision shall be unchallengeable and final.

3. The auctioneer shall have the sole and exclusive right at the site of the auction to determine all matters whatsoever concerning the conduct and/or effect of any sale or purported sale and without prejudice to the generality of the foregoing he shall be entitled to resolve disputes between bidders, to reject any bid, to withdraw, divide or consolidate any lot or lots and he will be entitled to bid on the seller's behalf. He will further be entitled to require proof of identity and/or of authority from any bidder.

4. The buyer must forthwith identify himself and any principal or employer, together with appropriate means of identification, to the auctioneer, his servants or agents and if required to do so must pay the sale price, together with any buyer's premium, value added tax or any other monies due forthwith. The total sale price must be paid to the auctioneer at his office or elsewhere as he may direct. Payment in full shall be deemed not to have occurred until any negotiable instrument has been honoured in full (or cash has been paid) such payment to be made within the time specified in the sale notes or in default of specification by 5 o'clock p.m. on the day of the auction or on the next complete working day (excluding Saturdays). Time of payment shall be of the essence. The buyer shall not be entitled to remove any lot from its position at the time of the sale until the purchase price of that and any other lot purchased at the auction has been paid in full and in default of payment as aforesaid the auctioneer shall have a lien upon all lots purchased by the buyer during the same auction and shall be entitled to rescind the sale in respect of any lot or lots for which full payment is not made in due time, forfeit any deposit paid in respect of them and resell the same without any right of compensation in the buyer. The auctioneer shall also be entitled to charge interest upon any unpaid balance at the rate of 4 per cent above the base rate from time to time to charge for storage arising after the time for removal at the rate of 25 per cent per annum of the total sale price until he elects to rescind

the sale, if at all, which election he may make at any time after such non-payment.

5. The title to any lot shall remain in the seller until the full sale price and any storage and interest charges have been paid to the auctioneer, but the risk of damage to or loss of the lot by whatsoever cause and in whatsoever circumstances shall be transferred to the buyer upon the sale.

6. The auctioneer warrants that he will only sell lots which he believes to be owned by the seller or to which the seller will be able to pass a good title but should it transpire that the seller's title to any lot is defective or that the seller cannot pass a good title to the buyer, the auctioneer shall be under no obligation to the buyer, other than to use his best reasonable endeavours (short of litigation), to procure the transfer of a good title to the buyer and to assist the buyer in exercising any remedies that he may have against the seller.

7. The buyer shall remove any lot for which he has paid in full plus other charges, if any, by the time for removal, which shall be either the time for payment or the time stated in any sale notes of the auctioneer, whichever shall be the later, but provided that no lot shall be removed without the auctioneer's express written consent while the auction is continuing. The buyer shall be responsible for the removal of the articles and such removal must be carried out safely and lawfully. Flame cutting, the use of explosives or of any other potentially hazardous or inflammatory process shall not be permissible at the site without express written consent. The buyer agrees to insure against and to indemnify the auctioneer and the seller against any and all claims arising in respect of injury or

EWB AUCTIONS – 17th January 2012

damage to person or property, whether real or personal, caused by or in connection with the acts or omissions of the buyer, whether caused by himself, his servants or agents or his principals or employer.

BUYERS MUST INSURE AGAINST THESE RISKS

8. All conditions and warranties as to the condition, quality, description or fitness for any purpose whatsoever of any lot sold by the auctioneer are hereby expressly excluded. Neither the auctioneer nor the seller will be bound by or liable for any representation of any kind whatsoever, whensoever or howsoever made. Neither the auctioneer nor the seller shall be liable for any loss or damage whether caused by negligence or otherwise of either or both of their servants or agents and without prejudice to the generality of the foregoing neither the auctioneer nor the seller shall be liable for any loss of profit, business or production or similar or other loss whether direct or indirect or consequential, however caused.

IN THE CIRCUMSTANCES ANY POTENTIAL BUYER SHOULD RELY SOLELY AND EXCLUSIVELY UPON HIS OWN INSPECTION OF ANY LOT AND SHOULD NOT TREAT STATEMENTS MADE IN SALE PARTICULARS OR BEFORE OR DURING THE AUCTION BY THE SELLER OR AUCTIONEER EITHER AS REPRESENTATIONS OR TO BE RELIED UPON.

N.B. A SALE BY AUCTION IS NOT A CONSUMER SALE: SALE OF GOODS ACT 1979 SECTION 57 AND UNFAIR CONTRACT TERMS ACT 1977 SECTION 12 (2).

NO VEHICLE IS WARRANTED OR HELD OUT TO BE ROADWORTHY AND NO LOT IS WARRANTED OR HELD OUT TO BE MERCHANTABLE OR SAFE FOR USE OR COMPLYING WITH STATUTORY REQUIREMENTS FOR USE, DISPLAY OR MOVEMENT. THE AUCTIONEER, HIS SERVANTS AND AGENTS HAVE NO AUTHORITY TO MAKE REPRESENTATIONS.

9. The buyer hereby undertakes to ensure that any lot he purchases will be used, moved or displayed whether at the site of the auction or elsewhere only when he has ensured that such movement and/or display is lawful and safe.

10. Should a buyer, by himself, his servants or agents cause damage in any way to the site of the auction or damage to or loss of any lot thereat, the auctioneer shall be entitled to exercise a lien in respect of any and all lots purchased by the buyer until such damage or loss has been paid for in full, whether or not the lot or any of them have been paid for in full, such loss and damage to be assessed by the auctioneer whose decision shall be final and unchallengeable. The auctioneer's assessed sum shall be paid by the buyer upon receipt of invoice therefore and payment shall be made forthwith, time being of the essence.

11. If before title to any lot has passed to the buyers thereof, the buyer, being an individual, dies, enters into a composition or arrangement for the benefit of his creditors or has a Receiving Order in Bankruptcy made against him or, being a body corporate, has a Receiver or a Receiver and Manager appointed or goes into liquidation or enters into a composition or arrangement for the benefit of its creditors, then the contract for sale of such lot shall be automatically and without notice rescinded unless the auctioneer elects otherwise within 2 working days of written notice of such an event. Upon rescission, any deposit paid by the buyer shall be forfeited and the auctioneer shall be entitled to exercise the rights set out in Clause 4.

12. If a buyer is permitted to take possession of any lot before the sale price has been paid, the seller and/or auctioneer shall be entitled to enter upon any premises of the buyer or under his control in order to repossess such lot.

13. If, before title passes to the buyer under these conditions, the buyer nevertheless purports to resell or otherwise dispose of the lot or any interest therein, the buyer shall hold the proceeds of such sale or other disposition upon trust for the auctioneer and the seller jointly until title passes to the buyer under these conditions, if at all, and in the meantime the buyer shall not deal with, charge or dispose of such proceeds except with the written consent of the seller or of the auctioneer.

14. These conditions shall be construed in accordance with and governed by English law save in respect of sales in Scotland and Northern Ireland which shall be construed in accordance with and governed by Scottish and Northern Irish Law respectively.
